Keep up the good work. We appreciate you and the way you work with the kids and challenge them. You make learning fun. My child enjoys every bit of Mr. Miller's class!

My student absolutely loves your class and thinks it is so much fun. You are great at ensuring all of the information as parents we need is available. It can be a lot, a bit overwhelming at times but I know that I can always go to your site or reach out to you to get anything answered. It was a great year.

Proud to have had two kids under your instruction. One more to go!

We love Mr. Miller! He's set the bar high.

We were so sad to not be able to finish the year. You gave Liam a new love for science and challenged him in just the right ways. I appreciated the minimal homework as we had a busy after-school sports schedule. We were concerned with him skipping a grade but you made the transition seamless. Thank you for a great year!

You are a five star teacher, we are going to remind you for life.
